Re - Letter of Confirmation, Oeschka-Tech CC

This letter serves to confirm that Oeschka-Tech CC is an account holder with Innomotics (Pty) Ltd. Innomotics Proprietary Limited is a Level 4 BEE contributor. Innomotics (Pty) Ltd., formerly Siemens Large Drives (Pty) Ltd., is a stand-alone entity in the Siemens Group, and wholly owned by Siemens AG.

Siemens Large Drives (Pty) Ltd. carved out from Siemens (Pty) Ltd. in August 2022, and at that stage we were a level 1 B-BBEE contributor. We changed our name to Innomotics (Pty) Ltd. In May 2023. Although we were a stand-alone legal entity in the Siemens Group, the previous B-BBEE level no longer applied and we had to start certification again.

Attached please find our B-BBEE recovery plan.

Oeschka-Tech CC is authorized to procure Innomotics Geared Motors and Innomotics IEC Low Voltage motors directly from Innomotics to engineer, re-sell and support its customer base. All Innomotics products hold the standard Innomotics factory warranties, in accordance with Innomotics Standard Terms & Conditions of sale.
